

Directions and Map to CMML Flight Service Guesthouse

Directions:

- If you are coming down the **Great North Rd** to **Lusaka**, then go **east** on the **Great East Rd**.
- Continue on down until you come to the **last** exit to the **right** before you reach the airport roundabout. There is a Catholic church on the **left hand** side, opposite the right hand exit. Cross over the west bound traffic and **turn left** onto the service drive
- **Turn right** at the "T" junction you come to.
- **Turn right** on the **2nd** road you come to.
- **Turn left** on the **2nd** road. It is called "**K-Clouse**", but probably does not have a sign. If you come to a large shopping complex, you've gone too far.
- Continue down K-Clouse to almost the end. Our plot number is **155**, on the **left hand** side, with a **black gate**, and razor wire on the wall. The area is called "Old Avondale", near the shopping complex.

If you get lost call 0211 282161 and ask Rodwell for help
